TRAFFIC POLICE ADVISORY ON MOTORISTS COMMITTING TRAFFIC OFFENCES ALONG BUKIT PURMEI AVENUE

Traffic Police (TP) has received feedback on vehicles failing to obey the 'No Right Turn' sign during the stipulated timings along Bukit Purmei Avenue in front of Radin Mas Primary School.

Map 1 – Location of vehicles disobeying 'No Right-Turn'

2 These inconsiderate and dangerous road behaviours pose a safety concern to the students and danger to other road users.

3 Motorists who fail to obey the traffic sign are liable for a composition fine of \$100 for light vehicles, and \$150 for heavy vehicles. Motorists who commit Careless Driving are liable for a composition fine of \$200 for light vehicles, and \$250 for heavy vehicles with 6 demerit points and may also face prosecution in Court.

4 Motorists are advised to comply to the 'No Right Turn' signage during the stipulated timings (Mon - Fri from 6.45am – 7.45am) except Public Holidays. Otherwise, motorists should abide to the left-turn arrow road markings painted on the road and proceed ahead to utilise the roundabout.

Map 2 – Location of vehicles causing obstruction in a yellow box

5 In addition, motorists are also advised not to stop their vehicles inside the yellow box in front of Radin Mas Primary School. This is to ensure the right of passageway to other vehicles travelling along the road.

6 Motorists causing unnecessary obstruction to vehicles proceeding to or along the yellow box junction by remaining therein are liable for a composition fine of \$100 for light vehicles, and \$150 for heavy vehicles.

7 Due to heavy traffic congestion during the arrival and dismissal timing, parents/guardians may consider the following alternatives to fetch/send their children:

a) Parents/guardians are advised to park their vehicles at Blocks 27 and 33 open space carparks along Bukit Purmei Avenue and fetch/send their children by walking along the pavement.

b) Parents/guardians are advised to utilize the roundabout, located about 50metres ahead from the school, along Bukit Purmei Avenue. The roundabout is located near the carpark entrance of Block 111.

8 We seek your assistance to play your part in ensuring the safety of all road users.
