

Radin Mas Primary School

A School Where All Work Hard, Play Hard and Make A Mark

3 February 2021

Dear Parents/Guardian,

School-Based Assessments for Primary 1 and 2

In line with the adjustments made by the Ministry of Education to reduce assessment load and stakes for school-based examination in order to push for learning for life and joy of learning, Radin Mas Primary School (RMPS) students' learning progress at the Lower Primary levels will be monitored through formative and non-weighted assessments. There are no semestral assessments at Primary 1 and Primary 2, moving away from an over-emphasis on examinations and allowing students to build confidence and to imbue life-long learning habits and attitudes.

Non-weighted assessment tasks are conducted regularly to provide formative feedback and support students in achieving the intended learning outcomes. The table below tabulates the different areas your child will be assessed in the respective subjects.
