**Direct School Admission for  
Secondary Schools (DSA-Sec)**

# Entering a secondary school

## PSLE/S1 Posting Process

- Based on a student's **PSLE score**
- **Most students enter secondary schools this way**

## DSA-Sec

- Based on a diverse range of **talents and achievements in specific academic subjects or non-academic areas, beyond what the PSLE recognises**
- Allows students to **access school programmes to develop their talents**

# Is the DSA-Sec right for my child?

If your child has specific **talents** which a school offers the DSA-Sec in

And is **passionate** about and **committed** to developing his/her strengths and interests

DSA-Sec can support his/her development in that talent area.

# Features of the DSA-Sec Portal

## 1. Centralised online applications

- Applications will be centralised across all participating secondary schools
- The form will be **easy to fill** – you only have to key in contact details and your school and talent choices  
Optional: The portal will also allow you to indicate any non-school-based achievements and activities related to the talent areas you applied for.
- You **do not need to submit testimonials or hardcopy documents** to the secondary school during application.

## 2. Application using Singpass

- Parents can access the Portal via their SingPass login. Only one parent's SingPass login is required.
- Parents who are unable to access their SingPass can approach the primary school for assistance.

## 3. No application fees

- No fees charged for DSA-Sec application and selection.
- We encourage all students who are passionate about and committed to developing particular talents to apply, regardless of family backgrounds.

# Features of the DSA-Sec Portal

## 4. Making choices in the DSA-Sec portal

- Through the portal, you can easily identify schools that offer programmes for your child's talent area.
- You can indicate up to three choices. For each choice, you will need to choose a secondary school and a talent area from that school.
- The order of the choices does not matter during application.
- Of the three choices, up to two choices may be used to apply to the same school, for two different talent areas of that school. This is to cater to your child's multiple interests, and allow your child to choose different schools which can develop his/her strengths and interests.
- You and your child are encouraged to **consider your choices carefully**, and manage the time and effort participating in multiple trials and interviews.

**Note.** Students can apply separately to School of the Arts and Singapore Sports School, on top of the DSA-Sec choices made through the DSA-Sec Portal.

# Examples of Possible Choice Combinations

EXAMPLE 1	Talent(s)	School(s)	Your child can apply to <u>up to <b>three different schools</b></u> , with no restrictions on the talent areas.

	Choir	School A	
	String Orchestra	School A	
	Choir	School B	
EXAMPLE 3 (Not allowed)	Talent(s)	School(s)	Your child cannot use all three choices on one school. He/she can leave the third choice blank or choose another school.

Shortlisting and selection by secondary schools. Each secondary school has different selection criteria for its categories and programmes. Schools will inform you of the selection outcome **by Aug.**

You will know whether you have been allocated to a school through the DSA-Sec, at the same time you receive your PSLE results.

# Things to note for Successful Applicants

- A student who indicates his/her preference for a school which had given him/her a Confirmed Offer will be guaranteed a place in the school, provided that he/she is eligible for the course (e.g. Express) which is offered by the school.
- Successful applicants will not be allowed to make any school choices during the Secondary One Posting Exercise. They are expected to honour the commitment to the posted DSA school for the duration of the programme admitted to.

# Things to note for Unsuccessful Applicants

- Unsuccessful DSA applicants or pupils who do not participate in the DSA Exercise must indicate their school choices(exercise 6 choices) at the Secondary One Posting Exercise by submitting their S1 Option Form (given together with PSLE results) through their primary schools or via the S1 internet System.
- These pupils will be able to opt for their preferred schools, including the schools that had not been able to offer them a place under the DSA Exercise.

## Please note:

- NUSHS, SOTA, SST & SSP do not participate in the S1 Posting Exercise.
