Guidelines for School-Home Partnership

Help your child succeed in life

Our children do best when schools and parents work hand in hand to support them. Here are some tips to make this happen...

Work with the school to know and support your child

- Have regular conversations with teachers in both academic and non-academic areas – this will help you better guide your child's development.
- Check the teachers' preferred mode of communication – they are not required to share their mobile numbers.
- Understand that teachers may not be able to respond to your queries immediately.

Help your child relate to others

- Work with the teachers to help your child respect differences and resolve disagreements amicably.
- Let the school verify the facts in any incident before taking action to ensure a fair, objective outcome for all parties.

Help your child develop good habits

- Create a conducive home environment for your child to enjoy reading and to finish his/her homework by himself/herself.
- Encourage your child to live a healthy, balanced life with time for sleep and play.

Help your child manage himself/herself

- Guide your child in managing his/her time.
- Encourage your child to help out with household chores.

Our children succeed when parents and schools work hand in hand.

(Reading, Punctuality)

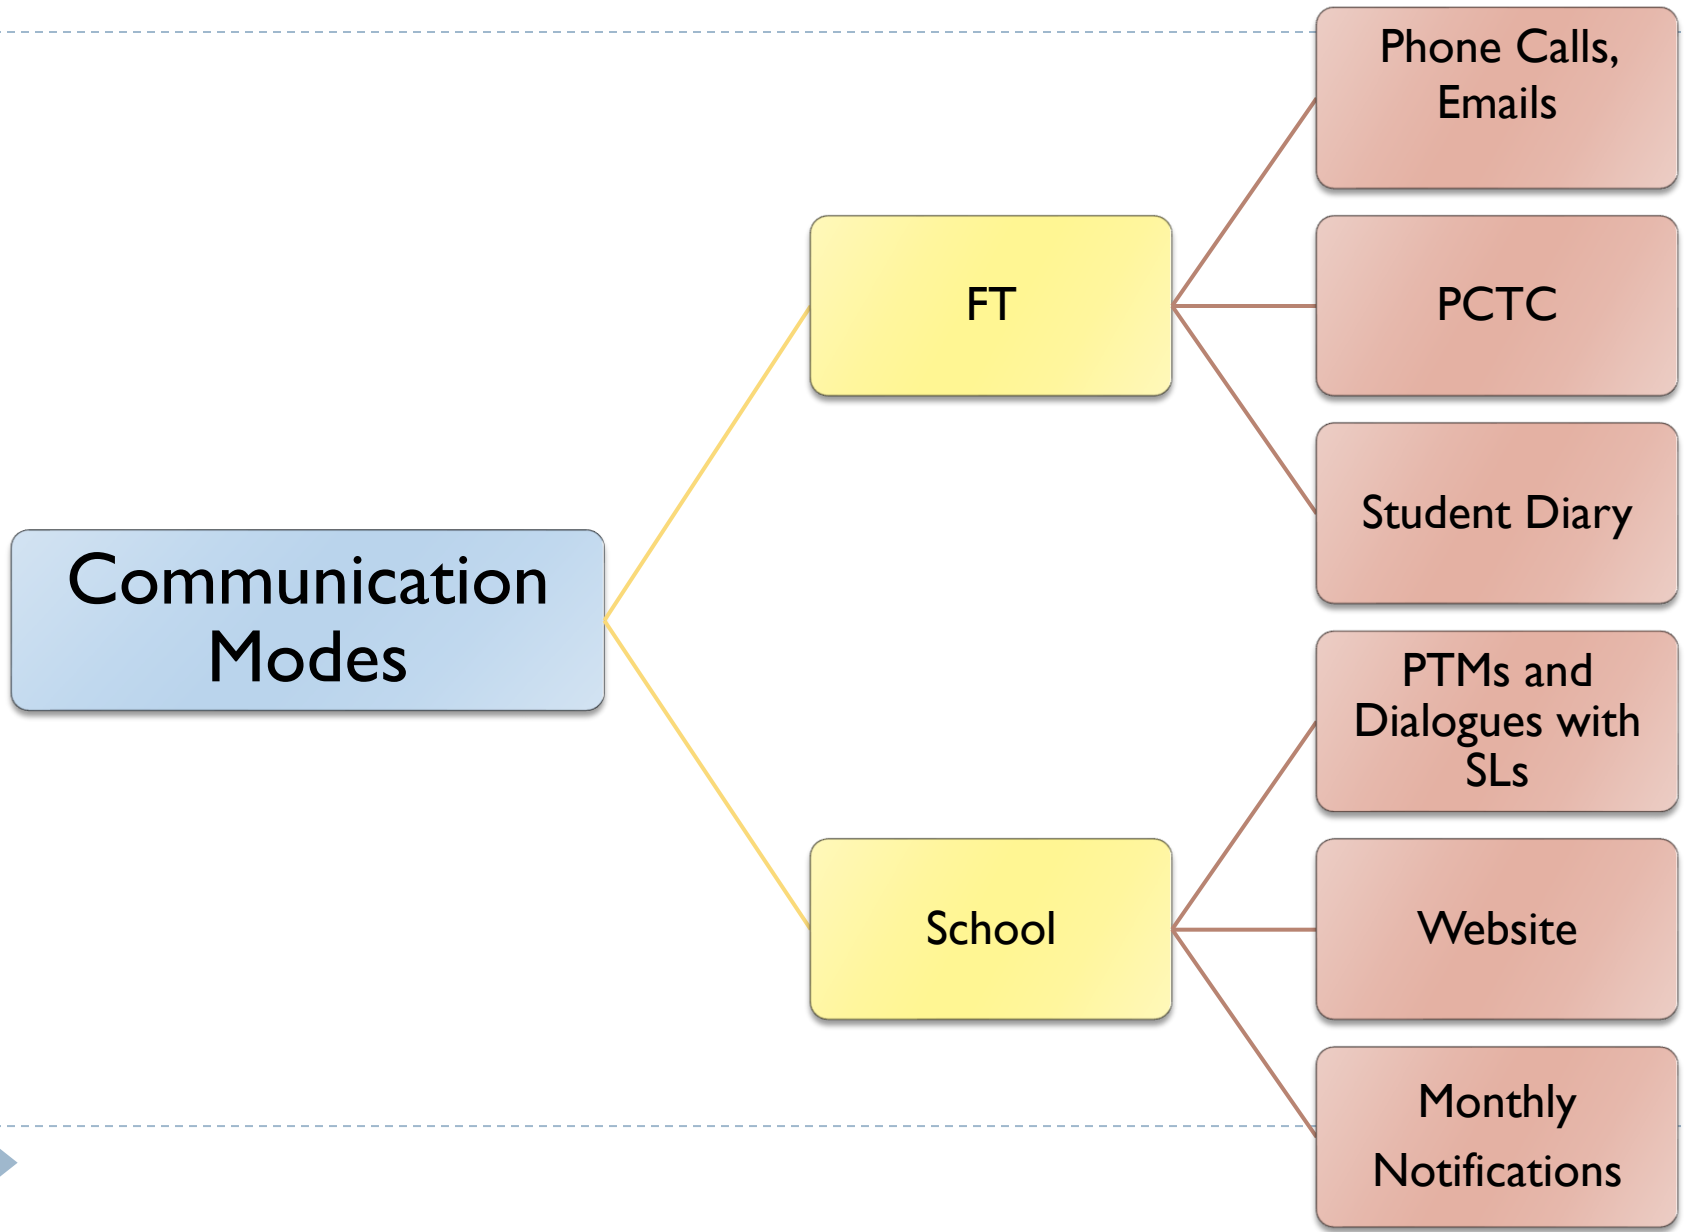

Engendering a Sense of Ownership
(Letting them do their own homework)

Setting up a Conducive Home Environment

Inculcating a sense of personal responsibility
(ask their child about what they have jotted down in their Student Handbook as opposed to contacting the teacher and also in allowing them to “forget” things.

Every Parent a supportive partner

Working with the teachers

Ask the teacher for the best way to contact him/her.

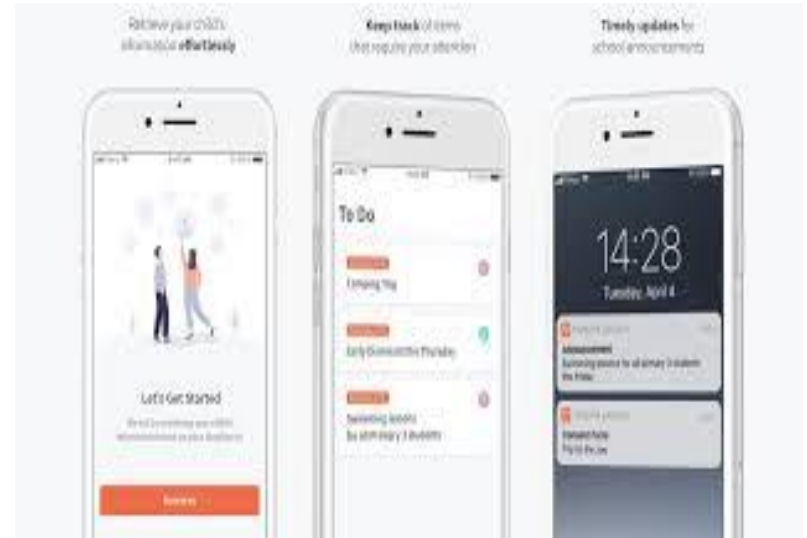

Respect the teacher's time, contact the teacher during school operating hours only.

Parents Gateway

- ▶ Parents Gateway is a mobile app specially designed for parents by MOE and GovTech.
- ▶ Parent Gateway allows school to communicate with parents on updating them about school's programmes and activities and for parents to provide consent hence easing the administrative paperwork.
- ▶ Parents are invited to download the Parents Gateway mobile app on their mobile phone (available on iOS and Android platforms only) and experience the convenience and benefits that Parents Gateway brings.

Conclusion: Focus for Primary 1

- ▶ Let them enjoy coming to school.
 - ▶ Let them enjoy playing in school.
 - ▶ Let them enjoy learning in school.
 - ▶ Allow them to be independent.
 - ▶ Do not add additional pressure on them.
-
- ▶ **Let them grow at their own pace.**

you
