C. 2023 P1 REGISTRATION EXERCISE – PHASE 1 REGISTRATION

(Ms Gracia Tye, Admin Manager)

The 2023 P1 Registration Exercise (2023 P1 Ex) will be conducted from July to August 2023. Phase 1 registration is for a Singapore Citizen (SC) or Permanent Resident (PR) child born between 2 January 2017 and 1 January 2018 (both dates inclusive) and has a sibling currently studying in our school.

For the 2023 P1 Ex, parents who are registering their younger child under Phase 1 are to **register during the Phase 1 registration period in early July 2023**. Parents are not required to submit Phase 1 registration from April 2023.

If your child is a non-SC / non-PR and thus not eligible for Phase 1, please submit an online Indication of Interest in end May/early June 2023.

More updates on the 2023 P1 Ex will be provided on the [MOE P1 website](#) by May 2023.

D. PRIMARY 2 INTEGRATED TRAIL

(Mrs Doreen Foo-Chng, YH(LP))

To imbue in our students a joy of learning and to provide students with the opportunity to apply the concepts that they have learnt in class to real-life scenarios, all P2 students will be going on an integrated learning trail to Kok Fah Technological Farm.

The P2 integrated trail provides students with the opportunity to visit a local farm. Students will have a guided tour in the Greenhouse and learn about traditional and modern farming methods. The students will have a hands on experience of harvesting their own hydroponics vegetables and potting of microgreens. The students will also gain a better understanding of where their vegetables come from.

As part of the visit, students will be provided with an Aloe Vera Mango Jelly for their snack break. Please note that the Aloe Vera Mango Jelly is made with Aloe Vera grown from the farm. It is all natural and no preservatives have been added. Please indicate in the notes section on Parents Gateway if you would like your child to **opt out** from having the jelly.
