RADIN MAS PRIMARY SCHOOL AMENDED EXAMINATION MATTERS 2017

A. TERM 2 REVIEWS FOR P1 AND P2

Radin Mas Primary School (RMPS) has moved away from an overly strong emphasis on examinations at P1 and P2. P1 and P2 students are assessed through bite-size assessments to build their confidence and desire to learn. These reviews allow the teachers to ascertain the mastery level of the students for the topics taught so that they can conduct timely intervention on areas of concern. Unit reviews will be carried out as normal classwork after the teachers have completed the units, under non-examination conditions.

B. RUBRIC-REFERENCE ASSESSMENT FOR P1 AND P2

(HOD EL, HOD Ma, HOD MTL)

Mathematics

There will be on-going Mathematics Performance Tasks for students to demonstrate their knowledge or skills. These will allow teachers to monitor students' progress in relation to identified outcomes.

English & Mother Tongue Languages

There are language skills, which are not observable in pen-paper tests. Your child's developmental progress will be monitored through different forms of assessments throughout the year. The table below tabulates the traits that will be observed in the classroom in Term 2.

D. SCHOOL EXAMINATION POLICY FOR SEMESTER ASSESSMENTS (SA1 & SA2)

The following table indicates the various codes which can be printed on the Result Slips of students who are absent for any component/ paper during the examination.

Code	Reasons For Absence	School Action
AB	Absence without a valid reason	Score of '0' is entered for component/ paper missed
MC	Absence with Medical Certificate	Component(s)/ paper(s) missed will not be used for the computation of Overall Results. These students will not be disadvantaged in any way. Copies of the examination paper(s) missed will also be given to them for reference/ practice at home.
VR	Absence with valid reason (Official supporting documents must be submitted; letter of excuse from parent NOT acceptable)	

In the interest of the entire student population of RMPS, we appeal to parents of students who are covered by Medical Certificates, **not to send them to school** to sit for their examination. Students who are not well will **NOT** be allowed to sit for the examination even if they turned up in school. Parents will be asked to take them home. The school will consider the examination results of students who sit for their written examination papers while on Medical Leave null and void. There will be **no re-tests** for students who are absent from any written component(s)/ paper(s) during the examination. A copy of the examination paper(s) missed (except Oral & Listening Comprehension Papers) will be given to them for reference/ practice at home.

E. FREQUENTLY ASKED QUESTIONS

1. How are pro-rated marks calculated?

Subject: English Language (EL)

If a P5 student missed his SA1 English Language Oral Examination with an MC or a valid reason, his SA1 marks will be pro-rated as shown in the table below.

Component	Component Marks	Student's Marks	Marks Scored	Remarks
EL Oral	30	MC/ VR	MC/ VR	Absence with Medical Certificate (MC)/ Valid Reason(VR)
EL Listening Comprehension	20	20	18	
EL Composition	55	55	40	
EL Paper 2	95	95	76	
Total	200	170	134	

The total marks for a P5 student who missed the oral examination will be 170 instead of 200.

$$\frac{134}{170} \times 100\% = 78.8\%$$

His pro-rated mark for EL is 78.8%.

2. What does 'No marks for a particular subject (EL, MT, Math or Science) for that SA' mean?

If a P5 student missed his SA1 Mathematics paper and has an MC or a valid reason, no marks will be entered for the subject (ie he will **not** be given a '0'). As a result, he will not have any SA1 marks for Mathematics. The marks achieved in his SA2 Mathematics Examination will take up 100% of the overall combined marks for Mathematics for the year.
