D. P1 INTEGRATED LEARNING TRAIL

(Mrs Doreen Foo, YH LP)

To imbue in our students, a joy of learning and to provide students with the opportunity to apply the concepts that they have learnt in class to real-life scenarios, all P1 students will be going on an integrated learning trail to Playeum, Children's Centre for Creativity.

Students will get to participate in the current exhibition at Playeum, "Going Play-ces". This exhibition allows students to navigate and explore Play-ces through various landscapes such as the sea, jungle, city and beyond. Children will experience and engage with their imagination, while thinking about sustainability, innovation and the role of STEAM (Science, Technology, Engineering, Art and Mathematics) in everyday life and the future. This helps to develop the students' critical and inventive thinking skills, communication, collaboration and information skills as they learn best through an authentic and interactive setting.
