### B. MORNING FLAG RAISING CEREMONY

(Mr Chua Wee Nam, HOD Student Management and Leadership)

Starting from 11 April Monday, Primary 1 to 4 students will assemble at the Parade Square while Primary 5 and 6 will assemble at the Upper ISH for the Morning Flag Raising Ceremony. Students should sit according to their classes and engage in silent reading at the assembly area.

Students will report directly to their respective venues instead of their classrooms. All students are expected to be seated by 7.30 am at the assembly areas. Students who report to their reporting venues after 7.40am will be considered as late.

During the Ceremony, students who are Singapore citizens are to sing the National Anthem and take the Pledge. In line with SMM, students will observe safe distancing at the assembly areas. Masks must remain on at all times.

On Fridays, students will report directly to classrooms in the morning to proceed with their Friyay activities.

In the event of inclement weather, Primary 1 to 4 students will report to their classrooms for morning assembly.

### C. USE OF DISPOSABLES IN SCHOOL CANTEEN

(Ms Gracia Tye, AM)

In compliance with environmental sustainability measures under the GreenGov.SG initiative, the school canteen will cease using disposable ware with immediate effect. Take-away is strictly not allowed.

#### **D. RE-OPENING OF STALL 5 (MUSLIM FOOD)**

#### **E. UPDATE ON SAFE MANAGEMENT MEASURES**

In line with the national easing of community SMMs, the SMM in school has been updated to the following:

- Mask wearing is required indoors (e.g. hall, library, classroom, canteen, school bus).
- Students who have recovered from COVID-19 and are well do not need to carry out the ART within 90 days from their recent infection unless otherwise required. However, if these students are unwell, they should seek medical attention and to follow doctor's advice.
- For students who have recovered from COVID-19 or complete their vaccination, it is advisable for them to avoid strenuous physical activities or intense exercise for up to 2 weeks after their infection or vaccination.

For COVID-19 related matters, please refer to [www.moh.gov.sg/covid-19](http://www.moh.gov.sg/covid-19) for updates.

## P4 AND P6 SA1 ASSESSMENT MATTERS 2022

### A. SCHOOL ASSESSMENT WEIGHTING 2022

Radin Mas Primary School (RMPS) continues to provide different checkpoints in the form of weighted and non-weighted assessments to ensure a holistic education for our students. Qualitative and quantitative information gathered from these assessments allow teachers to ascertain the mastery level of students for the topics taught and timely intervention to be carried out to help students close learning gaps, should there be areas of concern.

Non-weighted assessments are conducted regularly to provide feedback on students' learning progress and support them in achieving the intended learning outcomes. These tasks are formative and include day-to-day class work, various assignments and teacher observations.

Primary 4 and Primary 6 students will have two semestral assessments (SA1 and SA2). The following table indicates the percentage of marks apportioned to each term/semester for the core subjects.

Level	Term 1	Term 2	Term 3	Term 4
Primary 4		SA1 30%		SA2 70%
Primary 6		SA1	Preliminary Exam 100%	

### B. SCHOOL EXAMINATION POLICY FOR SEMESTRAL ASSESSMENTS

The well-being of our students is of utmost importance. In the interest of the entire student population of RMPS, we appeal to parents not to send your child to school to sit for their examination if your he / she is unwell / on medical leave (i.e. with a medical certificate).

The following table indicates the various codes which can be printed on the Result Slips of students who are absent for any component/ paper during the examination.

Code	Reasons For Absence	School Action
AB	Absence without a valid reason	Score of '0' is entered for component/ paper missed
MC	Absence with Medical Certificate	Component(s)/ paper(s) missed will not be used for the computation of Overall Results.
VR	Absence with valid reason <b>(Official supporting documents must be submitted; letter of excuse from parent will NOT be accepted)</b>	<u>These students will not be disadvantaged in any way.</u> Copies of the examination paper(s) missed will also be given to them for reference / practice at home.

Students who are unwell **will not** be allowed to sit for the examination even if they turn up in school, and parents will be asked to take them home. The school will consider the examination results of students who sit for their written examination papers while on Medical Leave null and void. There will be **no re-test** for students who are absent from any written component(s) / paper(s) during the examination. The school will only conduct a make-up for students who missed their Oral Examination.
