#### B. MORNING FLAG RAISING CEREMONY

(Mr Chua Wee Nam, HOD Student Management and Leadership)

Starting from 11 April Monday, Primary 1 to 4 students will assemble at the Parade Square while Primary 5 and 6 will assemble at the Upper ISH for the Morning Flag Raising Ceremony. Students should sit according to their classes and engage in silent reading at the assembly area.

Students will report directly to their respective venues instead of their classrooms. All students are expected to be seated by 7.30 am at the assembly areas. Students who report to their reporting venues after 7.40am will be considered as late.

During the Ceremony, students who are Singapore citizens are to sing the National Anthem and take the Pledge. In line with SMM, students will observe safe distancing at the assembly areas. Masks must remain on at all times.

On Fridays, students will report directly to classrooms in the morning to proceed with their Friday activities.

In the event of inclement weather, Primary 1 to 4 students will report to their classrooms for morning assembly.

#### C. USE OF DISPOSABLES IN SCHOOL CANTEEN

(Ms Gracia Tye, AM)

In compliance with environmental sustainability measures under the GreenGov.SG initiative, the school canteen will cease using disposable ware with immediate effect. Take-away is strictly not allowed.

#### **D. RE-OPENING OF STALL 5 (MUSLIM FOOD)**

*(Ms Gracia Tye, AM)*

The school would like to inform all parents that a new stallholder has started to operate Stall 5 from 14.03.2022. The new stall is offering Nasi Padang.

#### **E. UPDATE ON SAFE MANAGEMENT MEASURES**

In line with the national easing of community SMMs, the SMM in school has been updated to the following:

- Mask wearing is required indoors (e.g. hall, library, classroom, canteen, school bus).
- Students who have recovered from COVID-19 and are well do not need to carry out the ART within 90 days from their recent infection unless otherwise required. However, if these students are unwell, they should seek medical attention and to follow doctor's advice.
- For students who have recovered from COVID-19 or complete their vaccination, it is advisable for them to avoid strenuous physical activities or intense exercise for up to 2 weeks after their infection or vaccination.

For COVID-19 related matters, please refer to [www.moh.gov.sg/covid-19](http://www.moh.gov.sg/covid-19) for updates.
