E. P4 AND P5 BRING YOUR OWN DEVICE (BYOD) INITIATIVE

(Mr Saravanan s/o Shanmugam, HOD ICT)

BYOD aims to create a 21st century learning environment in which students will be provided with equitable access to technology for them to become self-directed learners and collaborative team players. In addition, they will also learn how to handle computing devices in a productive and responsible manner. RMPS implemented BYOD at P4 and P5 successfully in 2016. Many students brought their own authorized technology devices and had an exciting time of engaged learning with their friends during the PL-MDPW week.

Once again, we ask for parents' support in allowing P4 and P5 students to bring their own authorised technology devices to school to enhance learning in the classroom during their PL-MDPW Week in T2Wk2 and T2Wk3 respectively.

Specifications of Authorized Technology Devices

Laptops, netbooks, eReaders, iPads and android tablets with either Windows or Apple operating systems are permitted on the school's network. The device should have a minimum display screen size of 7.9 inches (diagonal).

In order to connect to the RMPS Segregated Wireless Network (SWN), the device must meet the prerequisite requirements stated in the table below.

Operating System	Windows Vista / 7 / 8, Apple MacOS, Apple IOS or Android
Updated Web Browser	Internet Explorer (Version 9 or newer), Firefox (Version 15 or newer) and/ or Google Chrome. All of these web browsers can be downloaded free of charge.
Software Applications	Microsoft Office 2007 or newer with Microsoft Word, Microsoft Excel and Microsoft PowerPoint

Please ensure that all technology devices are fully charged so that battery life will not affect proper operation during the school day. Please give your consent in Parents Gateway by **Wed, 9.3.2022** by clicking on “YES” if your child is bringing his/ her own authorized technology device. For non-Parents Gateway users, please complete the attached Response Slip and submit the hard copy to your children's/ wards' form teachers by the same date.

F. UPDATES TO PRECAUTIONARY MEASURES

(Ms Mary Goh, Vice-Principal Admin)

For students who have been tested positive for Covid-19, parents are required to submit the child's/ward's ART test results to the Form Teacher before returning to school.

If your child is served Health Risk Notice (HRN), please notify your child's Form Teacher and complete the FormSg in this link: <https://go.gov.sg/rmps-hrw-reporting>

Students should practise good personal hygiene both in school and at home. Students who are not well should not report to school and should follow MOH's testing regime where applicable. Parents should update the Form Teacher on the child's/ward's well being.

We seek parents support in exercising personal and social responsibility in making Radin Mas Primary a safe environment for all our students and staff.
