B. CHILDREN'S DAY 2022

(Mdm Marianna Bte Mohamad Hanafi, HOD CCE)

We will be celebrating Children's Day in school on **06.10.2022, Thu**. This celebration serves as a platform for teachers and students to strengthen bonds and for students and staff to show care for the underprivileged children via our ongoing RMPS Gives Back donation drive for pre-loved toys and the Children's Day appeal.

As part of the celebration, students will engage in game booths during recess, bonding activities in class and enjoy a concert put up by teachers and ParentLink.

Curriculum hours will remain the same on the day of the celebration. Please also note that the following day, **Friday, 07.10.2022**, is a school holiday.

C. MINI OLYMPICS 2022

(Mr Idham Ashiblie, HOD PE/CCA/Aes)

Our annual Mini Olympics will be held on **06.10.2022, Thu** from 0745 – 0945 as part of Children's Day celebrations. Every P1 and P2 student will be taking part in 1 out of the 3 different relay-race events based on the theme 'Swifter, Stronger, Higher' (named after the Olympic Games' motto).

Students will be able to showcase their athletic abilities as well as apply some of the fundamental skills they have learnt during their PE lessons. The Mini Olympics platform also provides our students an opportunity to learn and demonstrate the GRIT values of growth mindset, resilience, independence and teamwork. Students are to be in their PE attire and they may wear their sports/school shoes for the event.

D. P1 INTEGRATED LEARNING TRAIL

(Mrs Doreen Foo, YH LP)

To imbue in our students, a joy of learning and to provide students with the opportunity to apply the concepts that they have learnt in class to real-life scenarios, all P1 students will be going on an integrated learning trail to River Wonders.

The P1 integrated trail to River Wonders allows students to develop a deeper understanding of the different types of animals and their life cycles and mathematical concepts such as measurement. This helps to develop the students' critical and inventive thinking skills, communication, collaboration and information skills as they learn best through an authentic setting.

E. P6 CHALLENGE CAMP 2022

(Mr Idham Ashiblie, HOD PE/CCA/Aes)

The school has specially organized a 3-day **non-residential** camp at two different venues for our P6 cohort in Term 4 Week 7. The P6 Challenge Camp aims to give students the opportunity to develop GRIT (Growth Mindset, Resilience, Independence and Teamwork) qualities, acquire outdoor education skills, forge camaraderie and build positive relationships by working in groups.

Students can look forward to exciting activities such as “Trolley and Trebuchet Challenge” and an Amazing Race where they will need to work together and think out of the box. More details on the camp activities will be provided at a later date.

We would like to assure you that the safety of your child/ward is of the highest priority. All necessary precautions will be taken to ensure the safety of our students. Instructors are proficient in outdoor skills and trained in Wilderness First Aid. A packing list will be distributed to students at a later date.

As the P6 Camp is part of our school’s co-curriculum, every student is required to attend the camp. Students who are unable to attend the camp due to medical reasons are required to submit a letter of excuse with supporting document(s) to their form teachers. Please note that students who are unable to attend the camp will be required to report to school as usual. An alternative programme will be arranged for them.

The details are as follows:

Date	26.10.2022 to 28.10.2022 (Wed to Fri)
Time	During School Hours. Report to school as usual by 7.35 am. Dismissal as usual.
Venue	Sentosa and Singapore Zoological Gardens
Remarks	Students will be given a packing list and briefed on details nearer to the date
